OUR CONDOLENCES

A long-time member, our membership chair, and friend to all; Brenda Engler lost her husband Bob, in late October.

In Loving Memory of Bob Engler

On October 31, 2021 Bob passed away peacefully at home surrounded by his family after struggling for years with advanced COPD and lung cancer. He was predeceased by his parents Bruno and Angel as well as 2 siblings Karen and John Michael who died as infants.

Bob will lovingly be remembered by his wife of 46 years Brenda, his two children Christine (Trent) and Steven (Kim) and 4 grandchildren Owen, Olivia, Ethan and Ashlyn, 7 siblings, and 24 nieces and nephews.

Bob was born in Blairmore Alberta, grew up in the Canmore area. He attended University in Edmonton where he met Brenda. In his career life he was a geologist in the coal industry and lucky enough to travel the world with his job. At home he has so many more roles – loving father, husband, gardener, wood craftsman, handyman, neighbor extraordinaire, artist, photographer, scuba diver, football fan and coach. Everyone who knew him has stories about how he touched their lives.

The family would like to extend heartfelt thanks to the staff of Synergy Respiratory Centre, Dr. J. Chi, Vital Aire services, and Strathcona Home Care and Dr. Dusang for all their compassionate care of Bob and support to Brenda.

A private funeral service will be held by the Engler family with plans for an interment and celebration of his life in the spring of 2022.

In lieu of flowers donations may be made to the Alberta Cancer Foundation or the Alberta Lung Association.

We are so very sorry for your loss Brenda. May Bob rest in peace and his memory live on.
